THE PRINCE OF WALES GRAND

From the New York Tribune. The installation of the Prince of Wales is regarded by the Masonic fraternity in England as one of the most prominent in its history, as he is the first heir apparent to the English throne who has held the office of Grand Master of the United Grand Lodge of England. Prince of Wales, who was Grand Master in 1790, only presided over a portion of the Masonic fraternity, as at that time the body was divided by an unfortunate of Sussex, one of the sons of George III, who had no prospect of ever succeeding to the throne. He, however, became the first Grand Master of the United Grand Lodge, and since that time no royal prince has ever held the office. installation ceremonies are to be held in a large ball capable of fers in the following respects from the holding about 10,000 persons, and former: The donation of \$250,000 for yet, in spite of these ample accommodations, only one Master Mason from each lodge can be admitted to witness brought in from Bristol, and is now at the assay office of A. E. Arnold. It will assay about \$300 per ton. the City Hall of San Francisco. The ann of \$700.000 for the observatory at the ceremonial. The Grand Lodge itself is nearly 1,000 strong; the officers and representatives of the Provincial and sum of \$700.000 for the observatory at the ceremonial.
